

MicroCredit-NH Members Star in Program DVD

MicroCredit-NH premiered its new video, “Opportunities Creating Results,” on December 2 at its headquarters at the New Hampshire Community Loan Fund in Concord. Guests included the MicroCredit-NH members featured in the video, their business group members and Community Loan Fund staff. It will be used as a promotional and educational tool, and has been mailed directly to partners and funders, will be shown at program orientations statewide and can be viewed anytime on the MicroCredit-NH home page. The video was produced by MicroCredit-NH member Thom Pollard, owner of Eyes Open Productions in North Conway.
